

EventTone Wireless At A Glance

Who We Are

Headquartered in Morris County, NJ, EventTone rents and services exceptional wireless communications across the United States and Canada. We are well equipped to handle all your wireless communications requirements with equipment and customer service unmatched in our industry.

What Rental Services We Offer

Many projects require two-way radios or push-to-talk phones to make sure your team can stay connected. Whether you would prefer analog or digital, or if "Push To Talk" mobile phones are what you're looking for, EventTone can help. Do you need wireless networking or surveillance solution to EventTone can help. Our knowledgeable, experienced rental staff is ready to meet your wireless equipment needs.

EventTone's staff has worked on some of the largest one day and multiple day events in the world. Our list includes some of the best-known companies and organizations in the country. We can customize a solution to fit your needs. Call us today. Our services include:

- Short-term rentals for events
- Long-term onsite rentals
- Equipment management
- Service and repair
- Custom designs

How We're Different

At EventTone, we realize that communications can play an important role your event. Reliability and excellent customer service an absolute requirement. EventTone will deliver your equipment on time, tested, fully charged and ready to go. But, that's not where it ends. We will be there to support you throughout your event.

EventTone offers monthly, weekly, and daily rates for rentals, as well as 24/7 customer service, staffing, and technical support.

Our wireless solutions can help in many situations. Some of the most popular are:

- Trade shows and associations
- Fairs and festivals
- Sporting events and concerts
- Petrochemical plant turnarounds
- Corporate meetings and events
- Security operations
- Transportation companies
- Facilities and venues

Our extensive rental inventory includes the finest wireless, professional equipment available including:

- Commercial Grade Analog Radios
- Multi Featured Digital MotoTurbo Radios
- Repeaters
- Push-to-talk phones
- Mobile broadband cards

Give us a call and let one of our representatives help design the perfect solution for your next project. You can reach us @ 855-396-5450 or online @ www.eventtone.com
