

EventTone Equipment & Services

We are the new voice in wireless equipment rental solutions who have been around for years! The staff from EventTone has years of experience providing solutions for small and large event organizers all over the US. We have designed, produced and executed communications plans for some the largest one day and multiple day marque events in the world along with hundreds of smaller and mid size experiences. Event producers trust us because we understand wireless communications and have the experience to help you design every step of your communications plan.

EventTone recognizes that with the ever-changing needs of today's fast-paced business environment, purchasing wireless equipment isn't always the best option.

Our experienced Rental Group provides short-term rentals and long-term leases on your two way radio, and wireless needs. Included in our inventory are a number of industry-leading devices, such as:

- Motorola MOTOTRBO Digital 2 Way Radios
