

EventTone Wireless Service & Repair

As the old saying goes...stuff happens! You may be using the finest in 2 way technology, but sometimes even the best needs a little attention. That's where EventTone can help.

EventTone's service technicians are certified by several of the finest technology manufacturers, including Motorola, Icom and Vertix, and can help you with many of your communications service and repair challenges. One call to EventTone and our techs can be there to help you with:

- 2 Way Radio Troubleshooting and repair
- Narrow Banding
- Equipment Installation and programming
- Project Management
- Radio Site Management
- Field Service
- Monthly Rentals and Upkeep
- Short and Long Term Loaners

At EventTone we offer 24 hour a day service to help make sure you are never down. Give us a call anytime at 855-396-5450 and we'll have one of our top service techs on his way to you.

Maintenance Agreements

One of the best ways to assure your equipment is always up and running at peak efficiency is with an EventTone Monthly Maintenance Agreement. Speak to one of our representatives and we can set up a plan for you that are easy and affordable.

Monthly Maintenance Agreements can help you:

- Protect Your Investment
 - Daily use can take a toll on your equipment. Monthly maintenance will assure everything is operational.
- 24-Hour Service
 - One call and we're there.
- No Down Time
 - If we can't fix it onsite, we'll provide you with a rental to make sure you're up and running.
- Easy Budgeting
 - Control your expenses. Monthly maintenance agreements are easy to budget and eliminate surprises.

Call and speak with one of our representatives @ 855-396-5450. We're here to help!
