

EventTone Wireless At A Glance

New York Las Vegas

Who We Are

Headquartered in the New York Metro Area and Las Vegas, EventTone sells, rents and services exceptional wireless communications across the United States and Canada. We are well equipped to handle all your wireless communications requirements with equipment and customer service unmatched in our industry.

Product Line

EventTone Wireless is proud to be a dealer for the finest wireless providers including Hytera, Motorola and others. We offer a full selection of digital and analog products along with a vast selection of repeaters, Direct Connect Phones, iPhones, GPS tracking systems and other cutting edge wireless products.

What Rental Services We Offer

Many projects require two-way radios or push-to-talk phones to make sure your team can stay connected. Whether you would prefer analog or digital, or if "Push To Talk" mobile phones are what you're looking for, EventTone can help. Do you need wireless networking or surveillance solutions. EventTone can help. Our knowledgeable, experienced rental staff is ready to meet your wireless equipment needs. We can also help you with iPhone and iPad rentals

EventTone's staff has worked on some of the largest one day and multiple day events in the world. Our list includes some of the best-known companies and organizations in the US. We can customize a solution to fit your needs. Call us today. Our services include:

- Short-term rentals for individual projects
- Long-term onsite rentals
- Equipment management
- Service and repair
- Custom designs
- Serializing and Custom Labeling

How We're Different

At EventTone, we understand how important communications are for your project. Reliability and excellent customer service are absolute requirements. EventTone will deliver your equipment on time, tested, fully charged and ready to go. But, that's not where it ends. We will be there to support you throughout your event. Service is our mantra!

EventTone offers monthly, weekly, and daily rates for rentals, as well as 24/7 customer service, on site staffing, and technical support. For long term rentals, we strive to meet your budgetary requirements.
