

CNEX

Conformity Certificate of Explosion-Proof

Manufacture Company Shenzhen Inrico Electronics Co.,Ltd.
 Add:3F,No.118 Bld, High Tech Industrial Park, Guowei Rd, Luohu, Shenzhen
 Product Description Wireless Device
 Model T320 3.7V
 Ex-mark Ex ib IIB T4 Gb/Ex ib D21 T135 C Db
 Product Standard Q/DX ZRK 001-2020
 Assembly Drawing No. 2020.04.17V1

After the examination and sample inspection of the above product drawings and technical documents, it is confirmed that the products meet the following standards

GB3836.0-2010 « Explosive atmospheres-Part 1: Generally accepted international standards for intrinsically safe wireless equipment »

GB3836.4-2010 «Explosive atmospheres-Part 4: Equipment protected by intrinsically safe type "I" generally accepted standards»

GB12476.1-2013«Electrical equipment for use in environments with combustible dust - Part 1 Complies with generally accepted international standards»

GB12476.4-2010«Electrical equipment for use in combustible dust and gas environments - Part 4: Intrinsically safe "iD"» Combustible dust and gases. Complies with generally accepted standards.

Note:

1. This product is equipped with lithium battery pack model specification :EXBP3001 3.7V 2650mAh; Do not remove or replace the battery pack in an explosive environment. Do not charge the battery pack in explosive environment.

2. In explosive environment, it is not allowed to use earphones, USB ports and other peripheral devices without explosion-proof certification

3. The RF power of this product is not greater than 3.5W

4. The product can only bear low impact energy, and should avoid impact from heights above three feet.

5. This certificate is the certificate of change of company address. The original address is changed from

3F, No. 118 Bld, the First Industrial Park, Guowei Rd, Luohu, Shenzhen to 3F, No. 118 Bld, High Tech Industrial Park, Guowei Rd, Luohu, Shenzhen
